Christmas Decorations:

Shaughn Jarvis, a BHA Member, requested to hold a Christmas Light Display Competition. She will take the lead on getting the word out, but wants BHA to donate prizes for the competition. Shaughn will follow up with Richard to work out the details, including: how to vote, the prize categories, and the time period of competition. Recommendations that came out of the discussion: include a boat category; prizes should be in form of gift certificates to the marina.

The marina offered to donate ice cream vouchers for participants. Thanks Kate!

Sewer Sisters Annual Fund:

The caretakers of shipwreck corner, aka the Sewer Sisters (SS), requested \$400.00 for their 2021 budget to continue maintenance and upkeep of the community areas managed by the volunteer group. There was a request for the SS to provide a brief summary of how they spend the funding.

VOTE: unanimously voted to provide the SS \$400.00 for their 2021 budget.

Richard will be at the marina Saturday December 12, 2020 accepting toys for Toys For Tots. Spread the word and donate a new unwrapped toy to make someone's holiday special.
